

Casa de Arrochella

**** Douro ****

GRANDES QUINTAS

Douro

COLHEITA

White Wine

2009

Technical Notes

Region

Douro – Denominação de Origem Controlada (DOC)

Sub-Region

Douro Superior

Production Area

100% Quinta das Trigueiras

Vineyards Area

10 ha

Soil

Granitic

Vineyard Altitude

450 meters

Grapes Varieties

Malvasia Fina, Sória and Gouveio.

Vinification / Aging

Manual harvest in boxes of 20 kg, destemming 100%, soft pressing and fermentation in stainless steel tanks with temperature controlled at 14°C for 10 days. Stage always in stainless steel tanks, with the fine lees batonage weekly.

Production

6'500,00 Liters

Bottling

8'500 bottles of 750 ml bottled on March 2010.

Physical and Chemical Analysis

12,50 (% V/V) Alcohol Content

3,30 pH

5,75 (g/dm³ – Tartaric Acid) Total Acidity

0,26 (g/dm³ – Acetic Acid) Volatile Acidity

95,00 (mg/dm³) Total Sulfur Dioxide

1,10 (g/dm³) Residual Sugar

Tasting Notes

Yellow citrine color. Fruity citrus aroma, ends with good mineral notes. The palate is fruity and large, silky, with balanced acidity giving a final simple but prolonged.

Ageing Potential

For the organoleptic characteristics is expected a aging in the bottle very positive over the next 4 years.

Conservation in the Basement

70% Humidity and temperature 12°C.

Serving Suggestions

Serve chilled at about 10°C.
